

Reduce the risk of late payment and bad debt

Reduce the risk and pain of late payment and bad debt with Barclays Credit Manager.

Barclays Credit Manager

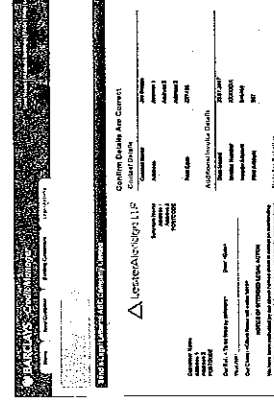

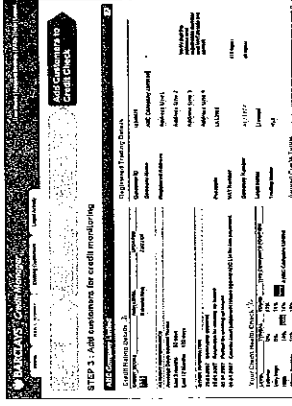

The late payment of invoices and bad debts are two of the most common causes of business failure in the UK¹.

Barclays Credit Manager is a new unique service that is specifically designed to help protect you and your business from the risks and pain of late and unpaid invoices.

Simple and easy to use, Barclays Credit Manager includes unlimited access to best practice credit control tools to help you get paid and to get paid faster.

Get paid, get paid faster

Unlimited credit checks

- Know how safe it is to do business with new and existing customers
- Understand how much credit you should be offering each of your customers
- Create professional looking credit terms letters.

Automatic credit monitoring

- Be automatically notified if the credit rating of any of your customers changes
- Know which customers you could extend more credit to, to encourage sales
- Understand which customers are likely to pay on time.

Unlimited debt recovery letters

- Instruct a leading UK debt recovery solicitor to send letters on your behalf to recover unpaid invoices from bad customers.
