

The B2B Exhibition – Floor Specifications Guide

Please read this carefully before selecting your stand space. Some stand spaces have maximum height restrictions and the floors can affect your exhibition stand depending on the equipment you bring.

Level 1 - Norfolk Lounge

- Stands 1 - 47
- Ceiling height – MAX 2.47 metres.
- Floor – Carpeted.
- Lighting – Artificial lighting only.
- Power – Access to power for every stand.
- Same level as Workshops and Networking Lounge/Refreshments.

Level 2 - Top of the Terrace

- Stands 48 - 92
- Ceiling height – MAX 2.32 metres.
- Floor – Hardstanding, tiled floor: slip is likely if bringing display equipment on wheels etc.
- Lighting – The Top of the Terrace has both artificial lighting and
- Natural light from the large windows across the floor looking over the pitch.
- Power – Access to power for every stand.

Across both floors

- Registration
- Power – Access to power for every stand.
- All materials and stand fittings must be non-flammable or impregnated with fire-proofing solution in a way as to comply with all current safety requirements.
- All exhibitors must keep their display within the space allocated to them. Any exhibitors with a stand that exceeds these measurements cannot be guaranteed to be accommodated at the exhibition and risk losing the chance to exhibit.
